Dear Parents,

Our first Parent Forum for the year will be held on the 27th of June at 7.00pm in the Stage 3 Learning Space as part of our P&F meeting. The topic for discussion is *Understanding the A to E Reporting System*. As you are aware formal student reports from Years 1-6 are mandated to include an A to E reporting scale. Some parents would not be familiar with this system of reporting as Kindergarten do not have this as part of their formal reporting requirements. Our parent forum will be discussing what A to E really means for student learning and achievement.

The agenda for the night will include the usual elements of the P&F meeting followed by a 30 minute information session and discussion of our forum topic. The meeting should take approximately 80 minutes.

Please complete the return slip if you will be attending the meeting. Contained on the return slip is an opportunity for parents to suggest other topics that you would like an opportunity to learn about or discuss. Please include this on the slip below and return it to school by the 22nd of May.

Yours sincerely

Yvette Baird
Principal
