14th August 2013

Dear Parents,

The students will be participating in an Intensive Ten Day Swimming Program at the Aquatic Centre, Olympic Park Homebush from Monday 26th August to Friday 6th September 2013.

Aquatics are an integral part of the Personal Development, Health and Physical Education Program and all children are expected to participate in this program. A medical certificate must be provided for an exemption. The program caters for children in all ability levels, with assessment taking place by instructors on the final session of the program. The program caters for children who need to learn to swim, through to children who are proficient swimmers who will be placed in a ‘squad training’ group. The children will be graded on the first day of the program.

Children are to wear their sports uniform to school each day with their swimming costume underneath. They need to bring underwear, extra shirt, towel, thongs or sandals and a warm top, in a separate bag. The warm top is needed for cooler days. Children dry off at the pool but get fully changed back at school. Thongs or sandals are not to be worn to school, just to and from the pool. The children need to wear thongs at the pool because this ensures they are dressed quickly to get on the bus after their lesson.

Due to strict timetabling please adhere to the clothing your child has been asked to bring or wear. Please ensure that all clothing and towels are clearly marked with your child’s name.

Please Note: It is advisable that children wear goggles each day.

Children are expected to wear appropriate swimming costumes for these lessons. This includes:
- Girls: one-piece costume or wet suit style costume
- NO Bikinis or two-piece swimsuits
- Boys: speedo style costume or wet suit style costume
- NO board shorts or shorts

Special Note for Kindergarten parents.

Kindergarten will be boarding the bus for swimming lessons at 8:50am.
In order to get to our first lesson on time, we will not be able to wait for children who arrive at school after 8:50am.
The children will need to come to school ready to go to the pool.
This means the children will need to wear these items:

- Swimming costume
- T-Shirt
- Towel around them,
- Slip-ons or thongs --no shoes that need to be pulled on.
  It is so difficult to put on wet feet.
- Warm jacket (if weather is cold)

It is important that you pack their full sports uniform and underwear in their school bags
for the children to change into when they return to school.

No dressing gowns please, as this is dangerous getting on and off the bus.
