23rd October 2012

Dear Parents,

SACRED HEART SMARTPHONE APP

The skoolbag app is the ultimate school to parent communication tool. It provides schools with an easy way to tell parents/carers everything they need to know, and it provides parents with the most convenient way to receive school notifications. No more lost paper in school bags!!

School Newsletters, school notices, school alerts are communicated to parents via the smartphone app.

Skoolbag is an iPhone and Android based school communications app.

This is a free app and is available from your app store. The best way to find the app is to go to your app store and search “Sacred Heart Westmead”. (It should be the first app that appears).

Simply install the app on to your phone. Please Note: when the app is installed it will ask you to allow "push notifications" please say yes to this as it will alert you to the messages sent.

Once you have installed the app, you may wish to personalize your settings. At the bottom of the screen select the "more" tab. This will take you to a second screen. Select the set up option which will then allow you to select the grades for which you wish to receive information.

This app will be used to send notifications to you regarding important events, cancellations of Sports Carnivals, Excursions etc. Newsletters will also be sent via this app.

We would encourage all parents to download this free app, an easy and effective way to keep up to date with school information.

Yours sincerely

Yvette Baird
Principal
